11. Report on the programme:

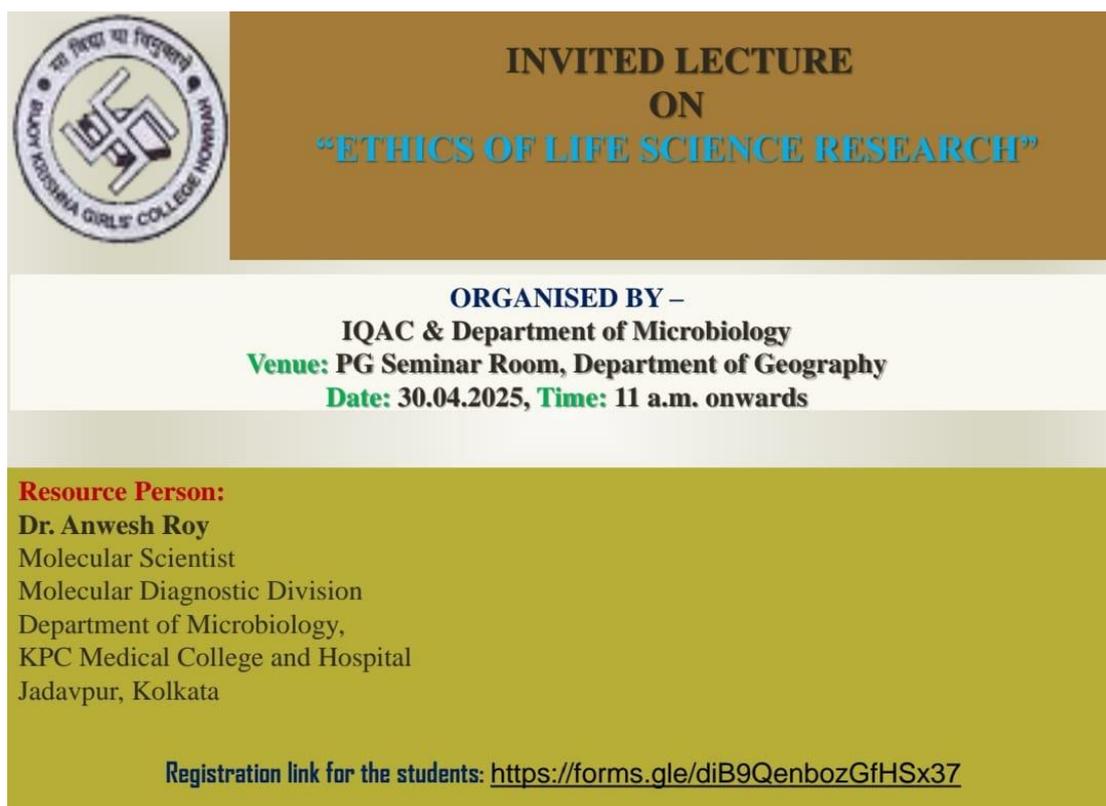

An invited lecture was organized for our departmental students. The program was specifically tailored for honours students to provide a comprehensive overview of ethical principles, regulations, historical case studies, and best practices that guide responsible research in life sciences. Emphasized the importance of moral conduct in scientific investigation.

The role of ethics in maintaining integrity, protecting welfare, and building public trust was also discussed. This program aimed to enhance their understanding of research misconduct and case studies in Ethical violations like CRISPR Baby Scandal or Tuskegee Syphilis Study through interactive experiences.

12. Programme Outcome:

From this lecture, the participated students acquired knowledge on ethical frameworks and the evolving nature of ethical standards. . By providing an engaging and interactive learning environment, the program motivated students to express interest in applying these principles in their own research.further studies. Moreover, the program helped students to understand the real world examples and case studies. The foundational knowledge and skills acquired during the lecture served as a stepping stone for higher education and research.

13. Poster/Brochure/Banner:

The banner is divided into several horizontal sections. On the left is the circular logo of Rajabai Ambedkar Girls' College, featuring a book and a lamp, with the motto 'सा विद्या या विमुक्तये' and the college name in English. The main title 'INVITED LECTURE ON "ETHICS OF LIFE SCIENCE RESEARCH"' is centered in a brown box. Below this, the organizing body 'ORGANISED BY - IQAC & Department of Microbiology' is listed, along with the venue 'PG Seminar Room, Department of Geography' and the date and time 'Date: 30.04.2025, Time: 11 a.m. onwards'. The resource person's details are provided in a green box, and a registration link is at the bottom.
