Detail Report:

Students along with their teacher attended a seminar on “Casual Analysis of Labour Market Outcome – Exposure, Match, and Labour Market.” The session focused on understanding how exposure to various job opportunities affects employment outcomes. It also highlighted the importance of matching workers’ skills with market demands. Overall, the seminar enhanced the knowledge of the students about employment patterns and economic factors influencing them. In his speech the speaker Dr. Tutun Ahmed told that to create awareness about training program, courses and job market students have to visit premier institute and stay there at least for fifteen days.

Outcome:

Our students interacted with resource person and request him to inform them about the programs that will be held at his home institution that is IIT, Kharagpur . They wish to attend those programs of IIT.
