11. Report on the Programme:

The students of semester 4 (major and MDCT) took part in the Students' Seminar organised by the Department of Economics on 17/7/2025. The students gave presentations on various Topics of Macroeconomics, Indian Economics and Sustainable Development . Ankana Dutta was awarded the first position in the Students' Seminar.

12. Programme Outcome:

The students took great interest in preparing the presentation and delivering it in front of the Judges. It helps the students to learn the Subject topic in detail. It also helped the students learn from their peers and understand the topic better. The presentation also helped the students to enhance their soft skills which is necessary for any area of work in their future career.
