11. Report of the Programme:

A poster presentation programme on 'Issues in Economic Development and the Indian Economy' was held on 10.2.2026. The students of semester III participated in the programme. Students presented their posters and explained different aspects of development and the Indian Economy. . Questions and discussions among the students were encouraged .The Best Posters were presented by Juhi Shukla (Economics Major) and Simee Maity (Multi-disciplinary Course).

12. Programme Outcome:

The students learnt how to express the issues in an abridged form. They also had to explain the posters by which their knowledge of the subject could be assessed. This was also a practice in public speaking for them so that they can overcome their shyness and talk in front of an audience
